PROFESSIONAL SUMMARY

Electronics Engineering graduating with a strong interest in software development. Possesses foundational knowledge of data structures, object-oriented programming, and database management systems, along with hands-on experience in embedded systems and microcontrollers. Seeking an entry-level software or hybrid engineering role to apply problem-solving skills and grow in a technology-driven environment.

EDUCATION

Bachelors's of Technology, Yeshwantrao Chavan College of Engineering, Nagpur Expected 2027

Relevant Coursework: Computer Science: Data Structures & Algorithms, Object-Oriented Programming (C++), Java Full Stack Development.

Electronics: Embedded Systems, Digital Electronics.

SKILLS

Technical Skills Java, Python, C, C++, JavaScript, HTML

Soft Skills Communication Skills, Problem Solving, Leadership Skills, Teamwork and Collaboration.

Languages Hindi, Marathi, English

WORK EXPERIENCE

• **COGNIFYZ TECHNOLOGIES:** April 2025 – May 2025
Web Development Intern

- Designed and developed responsive web pages using HTML, CSS, JavaScript, and Bootstrap.
- Implemented interactive features using JavaScript to enhance user experience.
- Optimized website performance by improving page load time and code structure

PROJECTS

Hotel Booking Management System.

A Simple Hotel Management System is based on the concept of managing the hotel room's bookings and payments. In this system, there are no login features. The user can manage room bookings, customer records, view total allotted rooms, edit records, and make payments.

This mini project contains limited but essential features. ([Check it here](#))

EXTRA-CURRICULAR ACTIVITIES

MGI Ideathon- An Idea & Innovation Contest: YCCE, Nagpur
Technical Co-ordinator

Served as a Technical Coordinator at the MGI Ideathon organized on National Startup Day, coordinating technical operations, assisting participating teams, and ensuring smooth execution of ideation and presentation processes.

Inter-Department Innovation Contest 2025: YCCE, Nagpur
Organizing Committee Member

Managed the collection, organization, and analysis of project data submitted by multiple cross-departmental teams, ensuring accurate documentation and smooth coordination during the event.

International Conference on Emerging Trends in Engineering and Management Sciences (ICETEMS 2026):

YCCE, Nagpur

Organizing Committee Member

Coordinated event logistics, managed registrations, and ensured smooth execution of conference sessions.

Collaborated with cross-functional teams and handled participant/speaker communication, strengthening leadership and problem-solving skills.
